PRESENTED BY WE·US·THEM

WANTED: DEVELOPER

WeUsThem is looking for a full stack developer to help lead, design and implement client solutions across platforms.

Ideally you would have 2-5 years (though we are always interested in enthusiastic newbies as well) as an in-depth full stack developer who can take an idea from storyboard through UI and backend development. Direct previous experience with deploying a scalable web and mobile application is an asset. This person must also want to work in a fast paced agency environment and be passionate about bringing designs to life with code.

TECHNICAL SKILLS:

- PHP
 - MySQL
 - Apache
 - Cloud Servers (Rackspace, Amazon)
 - JavaScript (frameworks such as Angular)
 - jQuery
 - CSS 3 & HTML5
 - C#
 - Xcode and/or Swift
 - Java
-

EXPERIENCE IN THE FOLLOWING:

- Cross platform and device, mobile app development with integrated and secure communicative hooks
- Mobile and cross browser responsive development
- Knowledge and experience with PHP, MySQL or PgSQL or NoSQL
- Deploying and maintaining cloud based systems
- Data-handling via AJAX, JSON, and REST APIs
- Experience building complex user interactions for consumer facing platform
- Experience with build tools (ie Grunt)
- Agile development, milestones, sprints
- RESTful API design

QUALIFIED CANDIDATES WILL HAVE:

- An outstanding sensibility and and superb communication skills
- Experience working as part of a team in an office environment
- A sense of humour
- Ability to organize and to be able to prioritize time-sensitive assignments
- Ability to take directions, collaborate and lead
- Motivation and eagerness to continually learn and expand existing skill sets

Please forward your salary expectations along with your resume and cover letter to chase@weusthem.com with the subject line **“Wanted: Developer”**.

We're looking to hire creative, inventive people. Don't be afraid to send us something truly unique. Show us who you really are!

ABOUT US:

WeUsThem is an end-to-end agency which develops creative executions and strategies across the web, TV, radio, mobile, desktop, print and other media. This includes the design, development and strategic management of online and social properties, Mobile Apps and eBooks, advertising and media buying, identity development, long term management as well as managing campaigns across industries, sectors and consumer profiles.

WeUsThem consults with local and foreign governments, heads of state, MNCs and Fortune 500 companies, as well as SMBs, for strategic planning, in academia, hospitality, healthcare, real estate, business services and other industries, across all three sectors.

We believe in authenticity, creativity, respect, and compassion, and we practice these values at all levels of our organization.
