WANTED: DEVELOPER

Are you a programmer looking for a full-time job? Have you ever developed a mobile app? Have you developed for the web or the desktop? Are you willing to learn and grow in a fast paced, small business environment?

We're looking to hire a full-time Mobile App Programmer who says yes to all of the above. You'll join our small team and commit to a continuous learning experience, where we encourage collaboration and teamwork over everything else.

RESPONSIBILITIES AND DUTIES:

You are going to be working within our development team and will be building:

- Websites
- Mobile Apps
- Web and Desktop Applications
- IoT/Wearable applications
- VR/AR Applications

We are looking for a lifelong learner and we are not expecting you to know everything but are expecting that you will continually learn and help build the technical challenges we put in front of you.

WE ARE LOOKING FOR SOMEONE WHO IS:

- Experienced and interested in one or more of the following: Mobile Development (iOS, Android, BlackBerry), LAMP Platform, and Web Development (HTML/CSS/PHP/JQuery/etc).
- Extremely sociable and has an outstanding sensibility and and superb communication skills.
- Has experience working as part of a team in an office environment.
- Has a sense of humour.
- Organized and able to prioritize time-sensitive assignments.
- Able to take directions, collaborate and lead.
- Extremely motivated and eager to learn and expand existing skill sets.
- Has a university degree in a related field. **NEW GRADS** are encouraged to apply!

BENEFITS:

- Competitive Remuneration (thats the moolah for us simple minded folks) & Benefits including a corporate Dental/Medical plan to opt into.
 - 2 Weeks Paid Vacation.
 - Birthday Surprises with the entire team including nosh at a fancy joint and a bit of adventure (make sure you have a strong heart).
 - A coffee and snack bar that makes sure you are breaking your bad habit of not having BREAKFAST - the single MOST important meal of the day.
 - Cocoons for that must have nap time to drop into.
 - Relaxed family atmosphere where we take care of each other - and this we take very seriously around here.
-

Please forward your resume and cover letter to hello@weusthem.com with the subject line "Wanted: Developer".
